REPORT OF SUPERINTENDENT

To the School Board and Citizens of Eaton:

Thirty-six pupils have been registered in school this year. This is the fourth consecutive year during which the school has been crowded beyond its normal capacity. The outside limit for effective teaching in an 8-grade, one-teacher school is twenty-five. Furthermore, in this four-year period it has been impossible to seat all pupils with due regard to their comfort, convenience and health.

We were fortunate in securing an able and experienced teacher, Mrs. Helen T. Mead, to teach the school this year. Mrs. Mead is a graduate of Plymouth Normal school and has taught in both rural and graded schools. During her illness this winter, Mrs. Ella Thurston has been a very acceptable substitute.

The school board installed a modern ventilating heater in the school this winter and the building is much more comfortable even in the most severe weather.

During the year ending in June, 1941, there were 31 pupils registered, 10 cases of tardiness, 28 visits of the superintendent and the percentage of attendance was 84. This last is very low but was due to an epidemic of measles.

The amount of money to be voted this year under article 8 is \$2,045 and to this is to be added \$180 specially appropriated for Eaton Center transportation.

JOHN H. FULLER,
Superintendent.
